What is Comprendo!?

Comprendo! is the second product offering from English Spanish Success™ (ESS!™), a division of Sunburst Digital aimed at developing bilingualism and biliteracy for both Spanish and English speakers. Comprendo! provides educators with brain based learning and language acquisition curriculum and instructional resources. Comprendo! combines interactive media, music, Tier 2 academic vocabulary, formative assessment, and student activities - all aligned to your state standards and Common Core.

“Comprendo! artistically immerses students into a bilingual world of skills and knowledge. Comprendo! instantly engages students in learning, opening the door for English Spanish Success!

Cecilia Colome, Ph.D.
Director of Curriculum
and Academic Standards
Sunburst Digital

All instructional content is instantly switchable between Spanish and English. The program is delivered on a simple “plug & teach” device for the classroom that requires no software installation and works on Mac or PC platforms. Use with just a projector, or combine with an interactive whiteboard and/or student response system for maximum benefit!

English Spanish Success™

Comprendo! provides teachers and parents with an easy to use, guided program for language acquisition that compliments any Spanish or English K through 3 learning environment. Contact Sunburst today to see how you can introduce this new digital curriculum into your classroom!

Who is Sunburst?

For more than 25 years, the Sunburst team of software developers, instructional designers, sales, service and classroom specialists have been knowledge experts in delivering and connecting innovative digital content solutions to districts, schools, teachers and classrooms. We provide training for educators in the use of our software. Sunburst is driven to fulfill the digital promise to educate because teaching changes the world.
